

SAYAN MANDAL

ABOUT ME

I am a B.Tech Computer Science Engineering student with a strong foundation in software development and digital systems. My experience spans Python programming, web development, and digital electronics, where I enjoy bringing abstract concepts to life through code. I have a keen interest in problem-solving, whether it's building efficient algorithms or optimizing applications for better user experience. Driven by curiosity and innovation, I'm always looking for new ways to expand my skill set and contribute to meaningful projects.
